

# Achievement Celebration Toolkit

**Congratulations!!**

Thank you for joining us for **Achievement** during National Youth Week, June 13-19, 2020. The single greatest force that can positively change the future of our youth is YOU.

Throughout National Youth Week, we will celebrate the achievement, the potential, and the promise of our youth. Additionally, we will deep dive into real world challenges, conflicts, temptations, and dilemmas facing our youth.

This year with achievement, we have lots of fun activities planned. From House Parties to Graduation, we want the youth to be celebrated for their achievements no matter what is going on!
